

INTEGRITY SERIES

SC UPRIGHT LIFECYCLE® EXERCISE BIKE

The Integrity™ Series is rooted in more than 20 years of reliability and innovation. Continuous innovation and improvement ensures that this workhorse cardio line remains a trusted fixture in facilities around the world.

INTEGRITY C CONSOLE

Offers simplicity for exercisers who just want to get on and go. The large LED and straightforward display make navigation easy. Resistance buttons are easily accessed during a workout.

LFCONNECT DIGITAL SOLUTIONS

Detailed equipment data offers valuable insight into exerciser habits, staffing needs and equipment layout suggestions. LFconnect™ Protect digital service allows Life Fitness service professionals to proactively monitor equipment and alert you to issues or preventive maintenance needs. Wireless connection lets you take advantage of these LFconnect solutions.

Life Fitness

BASE FEATURES

A COMFORTABLE RIDE

Easy adjustment for a fine-tuned and ergonomically sound seat position. Wide pedals with simple buckle straps allow exercisers to get on and go.

ERGONOMIC RACING HANDLEBARS

Handlebars are designed to offer three different exerciser positions. Choose from cruising, hybrid and race positions.

GENERATOR DRIVE SYSTEM

Drive system with 8-ribbed poly-V belt resistance provides a smooth, quiet operation and requires limited maintenance.
