V Series Treadmill

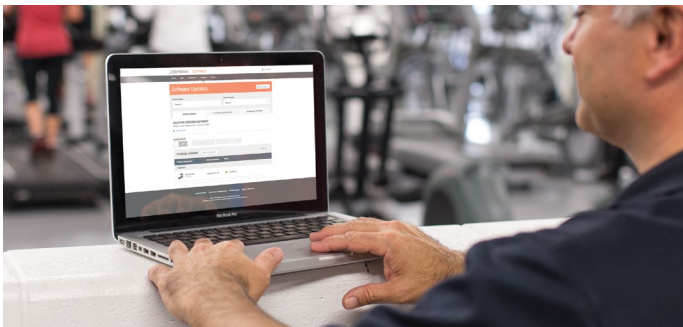

The V Series Treadmill offers simple get-on-and-go functionality, and efficient and effective workouts for a wide range of exercisers.

Exercisers can start their workouts quickly with the intuitive console.

Optional attachable TV or secure tablet holder offer in-workout entertainment.

FACILITY MANAGEMENT

Standard internet connection provides detailed equipment use information, exerciser insights and preventive maintenance alerts. Connection also enables remote equipment monitoring, which allows our knowledgeable technicians to alert you in the rare case of a problem, often before you know one exists.

20" x 60" (51 x 152 cm) running surface.

8" (20 cm) step-up height.

IS4 Intelligent Suspension System matches the mechanics of running. The deck is soft upon landing, firm in the middle and rigid at toe-off.
