

INTEGRITY SERIES

CLPM POWERMILL™ CLIMBER

The PowerMill™ Climber is equipped with innovative SureStepSystem™ (S3) technology. The AC motor provides the widest training range available. From 12 steps per minute to 185 steps per minute, the motor's range provides applications for all exercisers, whether in reconditioning or looking for high-intensity interval training.

LFCONNECT DIGITAL SOLUTIONS

When Integrity Series is connected to the Internet, LFCconnect™ solutions maximize your investment by providing detailed product usage data with valuable insight on exerciser habits, staffing needs and future purchases. LFCconnect also enables enhanced technical service to prolong the life of your equipment.

EASY WORKOUT TRACKING

Exercisers can use the free LFCconnect app to track their workout results. Requires wireless connection.

APPLE AND ANDROID DEVICE CHARGING

Universal USB port and optional Lightning, 30-Pin or Micro USB connectors enable exercisers to charge their Apple® or Android™ device.

SURESTEPSYSTEM TECHNOLOGY

Motor-driven system allows for a wide range of speeds that include a slow start-up mode and the highest speeds in the industry for high-intensity interval training. Speed changes are smooth and responsive.

INTEGRITY SERIES: HIGH PERFORMANCE, OUTSTANDING DURABILITY

The workhorse of Life Fitness cardio equipment holds up to constant use at the busiest health clubs and athletic facilities. Integrity Series treadmills, cross-trainers, recumbent and upright Lifecycle® exercise bikes, stairclimbers, summit trainers and PowerMill™ Climbers are built to be reliable and effective.

* Optional features are available with the purchase of an attachable TV at an additional charge.
 † Warranties outside the U.S. may vary. Specifications subject to change.
