### WARRANTY

Parts	2 Years
Labor	1 Year

### X-MODE™

Exclusive to Octane, this virtual personal trainer maximizes efficiency by prompting exercisers to go in reverse, pedal fast or slow, push or pull, squat and more.

### CLOSE PEDAL SPACING

Biomechanically correct close pedal spacing mimics the body's natural motion, eliminates stress and maximizes comfort.

### MULTIGRIP

Only on Octane ellipticals, these proprietary handlebars better engage the upper body and accommodate every exerciser.

### ARMBLASTER

For an unrivaled total-body experience, this trademark workout combines cardio with intense upper-body strength intervals.
